

CareCredit and RevSpring

Improving the healthcare financial experience, together

HELP IMPROVE THE FINANCIAL EXPERIENCE AND OUTCOMES FOR YOUR PATIENTS AND PROVIDERS.

When it's time for patients to pay their out-of-pocket healthcare costs, it can lead to uncertainty and frustration for patients, while providers may face decreased patient satisfaction and revenue.

That's why CareCredit and RevSpring have partnered to offer an integrated payment solution for out-of-pocket expenses, designed to meet the needs of patients and providers.

CareCredit, the healthcare credit card with more than 12 million cardholders, offers flexible financing options that allow patients to manage out-of-pocket healthcare costs over time* with convenient monthly payments.

CareCredit's financing options are integrated with your existing RevSpring payment platform.

This means you can seamlessly offer CareCredit as a payment option to help reduce financial barriers for patients and streamline your payment posting and reconciliation process—helping save time for your staff and improve your revenue management.

Benefits:

- Increase efficiency with an integrated payment solution
- Reduce financial barriers for patients with flexible financing options
- Improve revenue management and reduce debt risk
- Build trust with patients by offering a streamlined financial experience and easy way to pay

Together, CareCredit and RevSpring can help you simplify your payment solutions.

Improve the financial experience and outcomes for your patients, staff and healthcare providers.

FEATURES:

For Patients

Flexible financing options to help manage healthcare costs over time*

Quick, easy and contactless payments from any device, anytime

Easy application and quick credit decision

For Healthcare Providers
