How Does CareCredit Work?

Step 1:

Introductions are everything.

Empower patients/clients to make informed financial decisions by discussing the benefits of the CareCredit credit card.

Step 2:

Instant credit decisions can lead to instant gratification...and card usage.

Patients or clients can apply by scanning your custom QR code or URL to see if they prequalify, apply and, if approved, they can pay with the CareCredit credit card that same day! They can also apply by phone and receive a credit decision immediately.*

Step 3:

Time is money.

If approved, patients and clients can use CareCredit immediately to pay for treatment, deductibles, copays and coinsurance, as well as other costs not covered by standard insurance.

*Must be 21+ to apply; must be 18+ to apply by phone.

**Subject to credit approval.

***Subject to the representations and warranties in your Agreement with CareCredit, including but not limited to only charging for services that have been completed or that will be completed within a specified period of time, always obtaining the patient's signature on in-office applications and the cardholder's signature on the printed receipt.

Step 4:

Benefits for them = benefits for you.

Encourage your CareCredit Cardholders to take advantage of Promotional Financing** on purchases of \$200 or more.

Step 5:

Cha-ching!

Your office gets paid within two business days of CareCredit processing. The best part? You don't have to wait on the patient or worry about delayed or defaulted payments.*** CareCredit dispenses payment quickly and easily.

Step 6:

Use CareCredit. Get care. Repeat.

Cardholders can use CareCredit to pay for repeat visits without reapplying—empowering them to make healthy and consistent decisions that may impact their long-term wellness.**

CareCredit FAQs

Why do I need to accept CareCredit if I already accept general purpose credit cards?

CareCredit is not a typical credit card. It's created with the health and wellness of patients and clients in mind—family and pets included! For purchases of \$200 or more, cardholders can take advantage of special financing options and pay over time.*

How do my patients or clients apply for a CareCredit credit card?

CareCredit offers several consumer application options referenced in the "How to Apply" sections above.

At your patient or client's request, you can also initiate applications on behalf of your patients or clients via Provider Center.**

No matter how they decide to apply, the credit decision, is instant! If approved, you can process charges to the Cardholder's account immediately.

Isn't patient financing only for expenses exceeding \$1,000?

No. CareCredit can be used for purchases of any amount, with special financing options available on purchases of \$200 or more.

How does my office get paid?

CareCredit pays your office within two business days via an electronic deposit into the preferred bank account on record, less a processing fee.

What if my patients or clients don't pay their bills?

Regardless of whether a Cardholder defaults, you receive payment within just two business days.

CareCredit is a nonrecourse program, so if Cardholders delay payment or default, it's not your responsibility.***

The financial relationship is between CareCredit and the Cardholder.

What if their CareCredit credit card won't go through on the terminal?

All CareCredit credit card transactions can be processed through Provider Center, using the transact section without the need to swipe a card.

Patients or clients can also pay your invoices online using your custom link or QR code.

*Subject to credit approval. Minimum monthly payments required.

**Except for providers in California who are prohibited under state law from submitting applications on behalf of patients for certain healthcare loans or lines of credit, including the CareCredit credit card.

***Subject to the representations and warranties in your Agreement with CareCredit, including but not limited to only charging for services that have been completed or that will be completed within a specified period of time, always obtaining the patient's signature on in-office applications and the Cardholder's signature on the printed receipt.

CareCredit at a Glance

The Ultimate Provider Cheat Sheet

What Is CareCredit?

CareCredit is a health and wellness credit card that helps patients and clients get the care they want and need without delaying appointments or treatment due to cost. It can be used to pay for care for individuals, families and even family pets.

The Benefits of Healthcare Financing

CareCredit gives patients or clients a convenient way to pay over time for treatment, deductibles, copays and coinsurance, as well as other costs not covered by insurance.

How CareCredit Works

Patients can apply in-office or at home 24 hours a day.

Once patients apply and are approved, they can use their CareCredit credit card immediately and take advantage of Promotional Financing* on purchases of \$200 or more.

Presenting CareCredit

Now more than ever, patients or clients may be looking for financing to help pay for the care they want or need.

Make it personal—in the best way. Patients and clients want to know how certain benefits help them directly. When discussing the card with them, highlight benefits that would be most attractive to them.

*Subject to credit approval. Minimum monthly payments required. See carecredit.com for details.

So, don't forget to mention it to everyone, using the resources provided in Provider Center covering the many benefits of CareCredit for everyone.

Addressing Hesitations

If your patient or client has concerns about applying for the CareCredit credit card, refer to the Conversation Guide on Page 8 of the CareCredit Quick-Start Guide to help facilitate your conversations.

Submitting Applications

Patients or clients can apply using several options covered in this guide under the "How to Apply" sections.

Handling Declines

Declines are never fun for anyone involved. Keep it light and professional.

If a patient or client is declined, ensure you treat the situation with discretion and respect and discuss other ways they can make the purchase, such as applying with a joint applicant.
