Example Monthly Payments with the CareCredit Credit Card With 6-Months Special Financing

Promotional Purchase Amount	Suggested Equal Monthly Payment	Promotional Period
\$550	\$92	6 months

The Suggested Equal Monthly Payment shown may be greater than the required minimum monthly payment that will be on your billing statement when you use the 6-month promotional financing offer. This estimated payment:

- Equals the promotional purchase amount divided by 6 rounded to the next whole dollar.
- Would pay off the promo purchase amount within 6 months, but only if there are no other balances on your account at any time during the 6-month promotional period and you make your payments on time. Your total payments will equal the amount of the promo purchase amount.

If the promo purchase amount is not paid in full within the promo period, interest will be charged to your account from the purchase date and your total payments will be greater than the amount of the promo purchase amount.

IMPORTANT: The information about the Suggested Equal Monthly Payment shown assumes the following promo financing offer is applied to the purchase:

No Interest if Paid in Full Within 6 Months.[†]

On purchases of \$200 or more with your CareCredit credit card. Interest will be charged to your account from the purchase date if the promotional purchase is not paid in full within 6 months. Minimum Monthly Payments required.

*Subject to credit approval. Paying for services that will be completed in more than 30 days is available in select industries and is subject to change. Additional promotional financing options may be available for your purchase. Ask for details.

[†]No interest will be charged on the promo balance if you pay it off, in full, within the promo period. If you do not, interest will be charged on the promo balance from the purchase date. The required minimum monthly payments may or may not pay off the promo purchase before the end of the promo period, depending on purchase amount, promo length and payment allocation. Regular account terms apply to non-promo purchases and, after promo period ends, to the promo balance. For New Accounts as of 5/30/2024: Purchase APR 32.99%. Penalty APR 39.99%.
