Not all enrolled healthcare providers offer all promotional financing options. Please ask us for details. For purchases less than \$200, standard account terms apply.

Standard Account Terms: Your CareCredit credit card's standard account terms apply for non-promotional purchases. This includes purchases under \$200 and at retail locations where promotional financing is not available. Use your CareCredit credit card for things that might cost less than \$200, like chiropractic treatment, teeth whitening products, co-payments, skin care products, pet care supplies, prescriptions, and for other non-promotional purchases.

[†]Any suggested equal monthly payment shown (which excludes taxes and delivery) in connection with this promotional offer:

- May be greater than the required minimum monthly payment that will be charged on your billing statement;
- Equals the promotional purchase amount divided by the number of months in the promo period rounded to the next highest whole dollar, and
- Would pay off the promotional purchase amount within the promo period, but only if there are no other balances on your account at any time during the promo period and you make your payments on time. In such event, your total payments will equal the amount of the promotional purchase amount.

No interest will be charged on the promo purchase if you pay it off, in full, within the promo period. If you do not, interest will be charged on the promo purchase from the purchase date. The required minimum monthly payments may or may not pay off the promo purchase before the end of the promo period, depending on purchase amount, promo length and payment allocation. Regular account terms apply to non-promo purchases and, after promo period ends, to the promo balance. For New Accounts Purchase APR is 32.99% as of 5/30/24. Penalty APR 39.99%. Min Interest Charge \$2. Existing cardholders: See your credit card agreement terms. Subject to credit approval.
