

Flexible financing options for your care.

Hello **[Patient or Client Name]**,

Cost shouldn't delay the care you want or need. With the CareCredit credit card, you can pay over time for health and wellness costs with promotional financing on qualifying purchases that may work for you.* CareCredit offers:

- **Flexible financing options that allow you to pay over time with easy monthly payments***
- **No annual fee****

Here's how it works:

1. **Apply and get an instant credit decision.** See if you prequalify—**with no impact to your credit score**. Apply here: [\[Insert Your Custom Link\]](#)
2. **Get care.** If approved, you can start using your CareCredit credit card account immediately. Purchases of \$200 or more are eligible for promotional financing. At your appointment, let us know you'll be using CareCredit.
3. **Pay over time.** Review the available CareCredit promotional financing options and choose one that helps fit your budget. If you have available credit, you can use it for future visits.

Ready to get started? See if you prequalify without impacting your credit score. [\[Insert Your Custom Link\]](#).

We look forward to helping you get the care you want or need!

Sincerely,

[Your Business Name]
